# DEPARTMENT OF ANATOMY

EVENT: WORKSHOP ON "Basics in bioinformatics"

DATE: 28.04.2023
GUEST SPEAKER:

Dr.N.S.Venkataramanan. M.Sc. Ph.D.,
Professor - Research
Department of Anatomy
Saveetha Dental College and Hospital

Dr. A.Suvitha. M.Sc., Ph.D.,
Associate Professor
Thassim Beevi Abdul Kadar College
for Women Kilakarai

The session began with a lamp-lighting ceremony, a message from the dean, professor Dr. J. Muthukumaran, and an overview on bioinformatics and welcome address was given by professor Dr. D.H. Gopalan, Professor and Head of the department. The award for the model making and painting competition was given out by dignitaries. Shakthi Ram.C (2020–2021) medal exam winner and Yashwini S. (2021–2022), best outgoing student (2021–2022), received certificates and book from Dean Sir.

Pre-test questionnaire was obtained prior to the lecture. The guest speakers, Drs. N. S. Venkataramanan and A. Suvitha, gave a presentation on the fundamentals of bioinformatics with practical instruction. After the post-test and feedback session, the workshop was over. We thank our chairperson, secretary, medical superintendent and dean for making this event successful.
