“ BIOCHEMICAL ASPECTS OF CANCER”

GUEST LECTURE

DEPARTMENT OF BIOCHEMISTRY

Date : 30.01.2024

Event Report :

A Online guest lecture programme was organised on 30th January 2024 , from 9.00 am to 10.30 am in the Lecture Hall 1, Tagore Medical College and Hospital, Chennai, on, “Biochemical aspects of cancer “.The speakers were Dr. Desigamani , M.Sc.,Ph.D , Professor , Depatment of Biochemistry, Meenakshi medical college and hospital, Kanchipuram . Dr. K.Prabhakaran , Professor and Head , Department of Biochemistry, addressed the gathering and introduced the speaker . Dr. Desigamani focused on the biochemical

mechanisms underlying cancer development, a crucial topic in modern biomedical research. The objective was to increase awareness among students and faculty about the molecular pathways involved in cancer and their potential as therapeutic targets. The guest lecture also gave a light on Molecular Mechanisms in Cancer including Gene Mutations and Oncogenes, Cell Cycle Dysregulation: Mechanisms of uncontrolled cell division and evasion of apoptosis & Metabolic Reprogramming and elaborated on the aspects of Biochemical Markers and the therapeutic implications. The speaker clarified the questions and discussed about the same to the Faculties and UG Students. The programme was attended by One hundred Fifty first year Medical Students and our department Faculties.
