Detailed report of the program

On 14.5.2026, the program was conducted in the above mentioned venue with the Dean along with all faculties, postgraduates and undergraduates. The event began with the welcome address and the lighting of the lamp by the dignitaries and the HOD of General Medicine, followed by the Thamizhthaai Vaazhthu.

The program started with the speech by Dr Surya Prakash, Interventional Cardiologist, SRM Global Hospitals. It was a highly enlightening session where the speaker discussed about the etiology, management and classification of hypertension, resistant hypertension, secondary causes of hypertension and the complications of hypertension. This was followed by the poster presentation by the final year undergraduate students. Next day 15/5/26 was the role-play session done by the second year undergraduate students in the hospital lobby to raise awareness among the general public. This was followed by an awareness lecture conducted by our postgraduate student.

The next event was the Prize Distribution for the poster presentation by the HOD of General Medicine. Undergraduates, Interns and Post Graduates alike took active part in the event. The event concluded with the Vote of thanks and the event turned out to be an informative and a great learning experience for everyone.

Rathinamangalam, Tamil Nadu, India
