Activity :NATIONAL GIRL CHILD DAY PROGRAMME

Date :24/01/25 (12.00 PM -01:00 PM)

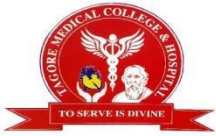

Summary:

National Girl Child Day was observed at our institution with the objective of promoting awareness about the rights, education, health, and empowerment of the girl child. The program aimed to sensitize students and faculty on issues affecting girls in contemporary society and to encourage positive attitudes toward gender equality.

Activities Conducted:

1. Skit and Speech Session:

A thought provoking skit was performed by the **final year students** in collaboration with the **Department of Pediatrics**. The skit highlighted key issues faced by the girl child, including education, health, social discrimination, and the importance of family and societal support. This was followed by impactful speeches that emphasized the role of healthcare professionals, educators, and society in safeguarding and empowering the girl child.

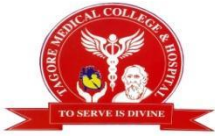

Participants list:Shalini.S, Roshini.A, Praveen Kumar.D, Pushpamathi, Punithavalli.V, Priya.S, Priyadharshini.S, Saikamshwar.S, Rodge Pratik, Saranya.V, Sasikumar.V, Rishika.R, Sanjana.R, ShirinKvainila.K, RakshanaRithiPari. Deeksha.R, Danisa.S

2. **Debate Competition:**

A debate was conducted by **second-year students** on the topic: **“Is social media and technology empowering or exploiting the girl child?”**The participants presented well-researched arguments from both perspectives. While one side emphasized opportunities such as education, awareness, and self-expression, the other highlighted concerns like cyber bullying, exploitation, and misuse of digital platforms. The debate encouraged critical thinking and active participation among students.

Participants list: Mounika.T, Ganapathi, Kanimozhi, MahaVignesh, Akshay, KaushikaPriya
