| <p>The Department of Pathology, TMCH, successfully organized the guest lecture titled <b>“Hemophilia- Past, present and future: A hemophilic’s perspective”</b>, on the occasion of World Hemophilia Day 2026. The program began with the Tamil Thai Vazhthu followed by the welcome address in the presence of respected dignitaries. The guest speaker, Mr. R. Sathyanarayanan, Vice President, Hemophilia Society (Madras Chapter), delivered an insightful talk sharing his experience of living with severe Hemophilia A. He highlighted clinical aspects, challenges faced by patients, and the importance of awareness and early management. He also emphasized the availability of free treatment in government medical colleges in Tamil Nadu and discussed recent advances in hemophilia care. The session was informative and helped students understand both medical and psychosocial aspects of the disease. The program concluded with a vote of thanks.</p> |

Name: R. Sathyanarayanan  
Date of Birth: 04-08-1969  
Career: Asst. Engr., Pre-Press, The Hindu  
Diagnosis: Hemophilia A, Severe  
Social: Vice President, Hemophilia Society - Madras Chapter

Born in Vellore and did my schooling and college in my native. Joined The Hindu in the year 1994. Got associated with Hemophilia Society in the year 1998. Actively took part in various activities in the chapter and was nominated as an Executive Committee Member in 2004. Then I became the Treasurer, and then the Secretary and now holding the post of Vice President of the Chapter.

In the year 2010 I lobbied with the Govt. of Tamil Nadu to make hemophilia treatment available in the government hospitals. The efforts made the government to announce free hemophilia treatment in all the Govt. Medical Colleges in Tamil Nadu.

I was former Vice President (Development), Hemophilia Federation (India) the parent body of all the chapters in India. Attended various World Congress of Hemophilia in various countries such as Bangkok, Paris, Melbourne etc. presenting various papers on psycho-social aspects on hemophilia.

I was invited to participate as a delegate from India for the 1st World Federation of Hemophilia Gene Therapy Round Table in Montreal, Canada in the year 2018. Member of the World Federation of Hemophilia, Person With Hemophilia Panel, for the book WFH Guidelines for the Management of Hemophilia.

I am married and have two daughters.
