Detailed report of the program

Report on Contraception Continuing Medical Education (CME) *Date*
and Time: 16th February 2024, 9:30 AM to 12:30 PM *Venue:* Tagore
Medical College, Department of Obstetrics and Gynecology

Introduction: The Continuing Medical Education (CME) on Cancer cervix held on 16th February 2024 at Tagore Medical College, organized by the Department of Obstetrics and Gynecology, aimed to provide healthcare professionals with updated knowledge on various methods.

Agenda:

Registration and Welcome

The event commenced with the registration of attendees, followed by a warm welcome from the organizing committee.

Challenges and Opportunities in Contraception Counseling"

Dr. Premalatha, another esteemed speaker, shared her expertise on the challenges and opportunities in contraception counseling. The session focused on communication strategies, cultural considerations, and ethical aspects of providing contraceptive counseling. Attendees gained valuable insights into fostering open and respectful discussions with patients regarding family planning
