Detailed report of the program

The Faculty Development Programme on IPC vs. BNS was organized by the Department of Forensic Medicine to enhance academic and medico-legal understanding of India's transition from the Indian Penal Code (1860) to the Bharatiya Nyaya Sanhita (2023). Sessions covered historical context, comparative analysis, medico-legal implications, and curriculum integration. The programme fostered scholarly debate, strengthened teaching competence, and equipped participants with clarity and confidence to guide students and professionals through this statutory reform.
