Venue	Lecture Hall 2
Target audience	1) Post Graduates 2) Under Graduates
Number of Participants	180
Program Organised by	Department of General Medicine
Resource person	Dr Ashwin Krishna, Hepatologist, Apollo Grems Road
Objective of the Program	Continued learning towards recent advances in fatty liver management.

Detailed report of the program

On 16.04.2026, the program was conducted in the above mentioned venue with the Dean along with all faculties, postgraduates and undergraduates. The event began with the welcome address and the lighting of the lamp by the dignitaries and the HOD of General Medicine, followed by the Thamizhthaai Vaazhthu.

The program started with the speech by Dr Ashwin Krishna, Hepatologist, Apollo Grems Road, on the topic – ‘Fatty Liver treatment updates’. It was a highly enlightening session where the speaker discussed about the epidemiology, risk factors, pathogenesis, spectrum of disease, clinical features, diagnosis, and assessment of fibrosis, complications, management and updates in fatty liver management.

This was followed by the case discussion by the postgraduates. Next was the quiz program conducted by first year PG’s for the undergraduates which was a highly interactive session.

The next event was the Prize Distribution for Quiz competition by the HOD of General Medicine. Undergraduates, Interns and Post Graduates alike took active part in the event. The event concluded with the Vote of thanks and the event turned out to be an informative and a good learning experience for everyone.
