Venue	Lecture Hall –I
Target audience	I MBBS 2024-2025 BATCH
Number of Participants	150 Students
Program Organised by	Department of Physiology
Resource person	-
Objective of the Program	To emphasize the importance of the stethoscope not just a medical instrument but also a symbol of responsibility and value inherent in the medical profession.

Detailed report of the program

The Department of Physiology organized a 'Stethoscope Ceremony 2025' for the I MBBS students of 2024-2025 batch, on 23/01/2025.

This ceremony is a symbolic and a memorable step forward in the MBBS program, impressing upon students that their professional life as doctors begins as soon as they start their medical studies and that they are bound by the same professional commitments as other doctors.

The various pre-event competitions for the students conducted were Podcast, Medical News Report and Essay writing. These activities added an extra dimension to the event, encouraging students to engage with their medical knowledge creatively and showcase their skills.

The event was graced by the presence of the guest of honour and a renowned Pediatrician Dr. M. Singaravelu, College Council Member, The Dean, Prof. Dr. J. Muthukumaran, M.S, M.Ch, Prof. Dr. R. Shanthimalar, M.D, D.A, Director, Prof. Dr. B. Jayakumar, M.S, Medical Superintendent, Prof. Dr. D. H. Gopalan, M.S, PhD, ACME, Vice Principal and HODs and faculties of the Departments of Biochemistry and Community Medicine

The event began with the 'Thamizh Thaaai Vaazhthu.' Next, Dr. S. Subhashri, M.D, Associate Professor, welcomed the gathering to the program. The felicitations followed, and then Prof. Dr. D. H. Gopalan, M.S, Ph.D, ACME, Vice Principal and Prof. Dr. B. Jayakumar, M.S, Medical Superintendent, addressed the students and shared their experiences as medicos.

The Dean, Prof. Dr. J. Muthukumaran, M.S, M.Ch, spoke about the importance of the stethoscope in the life of a medico, which motivated the students. The guest of honor, Dr. M. Singaravelu, addressed the students, shared some of his valuable experiences as a budding doctor, and imparted the significance of the stethoscope to the students, who appreciated the words of wisdom received from the speakers.

Following this, Professor and Head of the Department of Physiology, Prof. Dr. Navin Rajaratnam, M.D, M.Phil, gave a speech about the importance of the stethoscope in the medical profession. The students were then donned with their stethoscopes by the dignitaries. This was followed by the Students taking the 'Oath of a budding Doctor' which was administered by the HOD, Department of Physiology.

The event concluded with a vote of thanks by Dr. S. Subamalani, M.Sc, Ph.D, Professor, and the National Anthem.
