Detailed report of the program

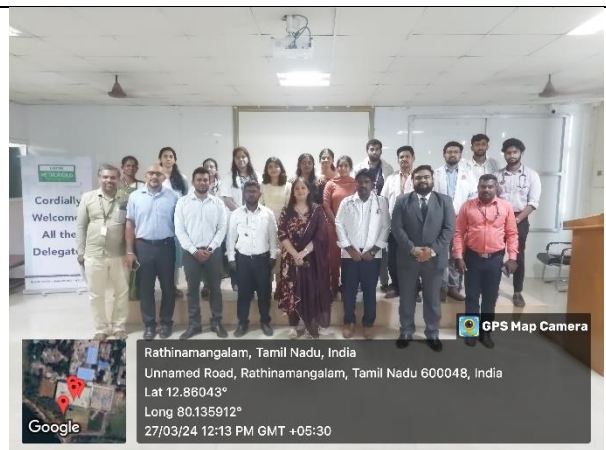

The Department of Respiratory Medicine orchestrated a dynamic Continuing Medical Education (CME) event, "YES! WE CAN END TB," commemorating WORLD TB DAY-2024, at the Hospital Auditorium, 4th floor, on March 27, 2024, from 10:00 am to 1:00 pm. The gathering, comprising undergraduates, postgraduates, and faculty, saw a turnout of 172 eager participants. The event was graced by the esteemed presence of the Dean, Dr. J. Muthukumaran, and the Medical Superintendent, Dr. B. Jayakumar, who honored the occasion with their esteemed presence, signifying the institutional commitment to combating tuberculosis. Dr. Sathish Kumar, Associate Professor in the Department of Respiratory Medicine, set the tone for the proceedings with a warm welcome address, extending greetings and expressing gratitude to all attendees for their participation and dedication to the cause. Dr. Lakshmi Murali, Dr. Lakshmi Priya, and Dr. Arun Gangadhar conducted individual sessions, each delving into crucial aspects of tuberculosis diagnosis and management, covering updates in the National Tuberculosis Elimination Program (NTEP), newer diagnostics in TB, and the role of Interferon-Gamma Release Assays (IGRA) in diagnosing Extra-pulmonary TB. The event received further acclaim with a gracious vote of thanks delivered by Dr. Pranavi, Senior Resident in the Department of Respiratory Medicine, expressing gratitude to the organizers, resource persons, distinguished guests, and attendees for their invaluable contributions and active participation. The resounding success of the program stands as a testament to the collaborative efforts and unwavering commitment of all stakeholders in the collective endeavor to eradicate tuberculosis.
