Detailed report of the program

Report on Programme “INTERNATIONAL WOMENS DAY”

Introduction:

The International Women's Day celebration program, held on March 8, 2024 aimed to honor and celebrate the achievements of women, and to boost confidence in women and to rise their voice against sexual harassment and laws.

The students was appreciated for choosing such a noble profession ,and told the importance of their profession and how they want to take care of patients .

And the sexual harassment faced by women in work place and public places are spoken and encouraged women to rise their voices in those situation because they are the ones who can help themselves in that situations

And told a short story as example and told about the grievance committee in college to sought help for any sexual harassment facing by them

And advised the mens to respect women and

And told about the laws which can be used in this situations

Positive Feedback:

- Received positive feedback from participants, speakers, and community members, indicating the success of the program in achieving its objectives.
