Detailed Report of the Programme

A Central Library Orientation Programme was conducted by Mr.P.Thirumalai, Librarian, to introduce our students about the library's extensive resources and to strengthen their research skills. The session highlighted the benefits of using various library materials, including printed journals, e-journals, e-books, case reports, conference proceedings and other special collections. Students were also briefed on library rules and regulations as well as book circulations procedures. This orientation is expected to have a significant positive impact on the new comers by their awareness and effective use of library resources.
