

# Tagore Medical College & Hospital Rathinamangalam

## About our Library

The Central library of College is one of the best libraries in the group of Tagore Institutions. It is serving its users from the beginning of College from year 2009. Library is located at first floor occupying carpet area of 2631 sq.mt. And is entirely air-conditioned supported with modern technologies like Wi-Fi, Digital CCTV, RFID gates. Users can access Online Databases through Wi-Fi within the campus. Library in-house functions are automated through Auto Lib software, RFID with Barcode Technology which assists users to locate reading the material, by title, author, non-Book materials and subject queries through the Web OPAC (online public access catalog).

### Mission:

The mission of the Central Library, Tagore Medical College is to provide access to high quality information resources in all forms to the faculty, students and staff in support of teaching, learning, scholarship and research mission of the Institute. With a commitment to excellence in services, the Central Library offers information resources and innovative services to support the intellectual inquiry, research and lifelong learning needs of Tagore Medical College community.

### Vision:

As the Tagore Medical College & Hospital moves towards its goal of achieving prominence as a leading the Central library in this part of the country.

It is the vision of the Library to support the institution and its stakeholder by providing seamless access to the widest possible spectrum of information resources such as digital, online databases, print and non-print materials relevant to the curricular,
