ACADEMIC EVENTS

"Knowledge has a beginning but No End"

PAPER PRESENTATION:

Our students showed their excellence in knowledge with an active participation in the Paper presentation.

SURGICAL WORKSHOP:

The eagerness to learn a new skill made our students participate and utilize the opportunity to study the basic skills of surgery.

BLS WORKSHOP:

The Basic Life Support is a mandatory thing a Medical Student should know. In that way, we are proud and heartfelt congratulations to the students of Tagore Medical College & Hospital for their future endeavours.

CULTURALS:

"Every artist was first an amateur"

SHIPWRECK:

It was an absolutely astonishing event, uniquely testing our personality. Here our participants came with fierce and set on fire with their amazing talents which added flying colours to our flag.

ADZAP:

This show stole the hearts of audience with their Spot contents and Lively performance and yeah Our people were Live enough to Advertise their products which turned into a huge attempt for our success!

CHANNEL SURFING:

Be it for reel or real, It was always our students who stood up as a team and always believed in teamwork and our team acted out the channels perfectly with what the judge tuned in. With So much fun and chirpy content they made the audience and judge go for a heartfelt enjoyment which added a feather to our hat!

ADAPTUNE:

Yes! Let's tune to the beats as our heart says. The soulful performance of our participants was enough to set the stage on fire and grace. Overall that was like a cherry on cake which added more beauty to the show.

SOLO SINGING WITH KARAOKE:

That was a bliss to hear them singing, more precisely the best therapy to our ears! It was a magical experience to see people singing their soul.

BAND:

Our band constantly believed that music is life itself and it got super proved once when they performed.

They made their opera so natural and classic which was their total concept. They made everyone go impressed with their mesmerizing performance and sending people their most energetic vibes and love!

GROUP DANCE:

The joyful movements of our students brought more elegance to everyone in the aura and their cosmic energy and splendid expressions made the people jump out of energy and express the joy of happiness and thrill which added glory to our family!

POETRY:

'Pen is mightier than a sword!' Words can change this world. With their mighty ideas and interesting thoughts they penned it perfectly.

SPORTS:

"Just play, Have Fun, Enjoy the Game" - Michael Jordan.

CRICKET:

Our team players were fierce throughout the game and their shots were as unique as them. They never let others down which made them energetic throughout the game!

FUTSAL:

When they set down the goal to be keen on goals, which made the game more fierce and extraordinary!

BASKETBALL:

Tremendous effort by the team made the game go on thrill till the end and was a fire!! It was the best play.

CHESS:

Our player's each and every move was in silence and checkmate was their only rattle. Which turned people into utter amusement?

CARROM:

The carrom shots were very clear just as their thoughts. Each and every shot was a pro and very well worked that led us to this huge success.

BADMINTON:

All strokes were well coordinated and their measured mindplay and strength helped to get through the game.

THROWBALL:

The overall enthusiasm throughout the team helped them to play consequently and their teamwork led to such dynamic play.
