

TAGORE MEDICAL COLLEGE AND HOSPITAL
FORMAT OF THE RESEARCH PROPOSAL/ARTICLE

- 1. Title of the Research Project:**
- 2. Hypothesis:**
- 3. Background of the Research: Need of the study, rationale, lacunae or gap in knowledge, novelty, innovative methods.**
- 4. Aim & Specific Objectives:**
- 5. Methodology**

Subjects

Inclusion criteria:	Exclusion criteria:

Materials and methods

Study design, duration, Intervention, outcomes, tools, questionnaires, informed consent and Ethics, Sample size calculation: Statistical tests

Anticipated Outcome:

Relevance and usefulness of the study:

Timeline & Budget

IPR (intellectual property & royalty) values:

Translational Value:

Utilization of outcomes of project

- ❖ Health care:
- ❖ Research:
- ❖ Academic:
