Chennai.

Respected Sir/Madam,

Greetings!!! From District AIDS Prevention and Control Unit (DAPCU)-Kancheepuram and RCT - Targeted Intervention for Migrants.

Thank you for such a wonderful contribution from your team. We appreciated your understanding & consideration of the importance about migrant's project objectives.

We wish to thank the entire team for the time they spent with us to completed our health services. In future we are looking forward your regular support for the migrant's healthcare.

Yours faithfully

Project Director
RCT TI Migrants – KPM
