

Alliance | Advocacy | Action

To Whom it May Concern,

This letter is to acknowledge that TAGORE MEDICAL COLLEGE AND HOSPITAL has registered an event with the World Hearing Forum entitled "World Hearing Day 2026" in celebration of World Hearing Day 2026.

World Hearing Day is held on the 3rd of March each year to raise awareness on how to prevent deafness and hearing loss and promote ear and hearing care across the world. Each year, the WHO decides the theme and develops a brochure on the topic based on the best available evidence as well as advocacy materials such as posters, banners, infographics, and presentations, among others.

The World Hearing Day materials are shared with partners in government and civil society around the world, as well as WHO colleagues across the Organization. At its headquarters in Geneva, WHO organizes an annual World Hearing Day seminar. In recent years, an increasing number of Member States and other partner agencies have joined World Hearing Day by hosting a range of activities and events in their countries.

Please contact the World Hearing Forum at whf@who.int if you would like more information about World Hearing Day. Let's all celebrate World Hearing Day on March 3rd.

Sincerely,

Mauro Menziatti

Snigdha Sarkar
