

DEPARTMENT OF ANATOMY

EVENT: CADAVERIC OATH TAKING CEREMONY

DATE: 20.11.2025

The Department of Anatomy and the Medical Education Unit of Tagore Medical College & Hospital, in collaboration with the Mohan Foundation, organized the **Cadaveric Oath Ceremony and Awareness Program** titled “*Legacy of Life: Honoring Donors, Inspiring Future Healers*” on **20th November 2025**. The occasion was graced by Dean, Prof. Dr. Muthukumaran, Medical Superintendent Prof. Dr. Habeeb Mohammed, Vice Principal & Head of the Department Prof. Dr. D.H.Gopalan and faculties of our department. The ceremony began with a welcome address by Dr. D.H.Gopalan, Vice Principal & Head of the Department of Anatomy and explained the importance of cadaveric oath to the First year MBBS students (Batch 2025-2026). The program included a series of insightful sessions by experts from the MOHAN Foundation, covering key topics such as the concepts, myths, and statistics of deceased organ donation, along with a film on brain death, an interactive quiz, case-based counselling discussions, and a detailed explanation of the ten steps leading to successful organ donation. The schedule also featured a Q&A session, dignitaries’ speeches, the formal cadaveric oath-taking ceremony, a student reflection, and the vote of thanks, followed by a group photograph. We also awarded our anatomy medal winners of batch 2024-2025 in the event. The event aimed at sensitizing first-year MBBS students to the noble act of body and organ donation while reinforcing professional values, respect, and gratitude towards donors. We thank our Chairperson, Secretary, Dean and Medical Superintendent for making this event successful.
