Program Organized by	NSS &YRC – Tagore Medical College
Objective of the Program	♦ Raise awareness about the social responsibility of preserving the environment among students and faculties.

Detailed report of the program

Tagore Medical College enthusiastically celebrated **World Environment Day 2025** on June 5th with a impactful **tree plantation ceremony**. The event saw active participation from both faculties and students.

Dr. Sindhuri, HOD, Department of Community Medicine, PSP Medical College, Padappai, graced the occasion as a guest. She initiated the ceremony by planting a coconut tree sapling on the college premises. Following this, Dean Dr. J. Muthukumaran, Dr. Viknesh Prabhu M (YRC Coordinator), Dr. Arjun (NSS Coordinator), Dr Ramesh Harihara Iyer (Prof & HOD, Department of Community Medicine), Dr. Vinoth (Senior Resident, Department of Community Medicine), Dr. Jayaprakash (Assistant Professor, Department of Forensic Medicine) and students from various departments collectively planted four trees and 25 plant saplings.

After the plantation drive, Dr. Sindhuri delivered an insightful talk to MBBS and PG students on **"Ending Plastic Pollution and Saving Our Planet."** Students took a pledge to nurture the campus greenery and plant a sapling on each of their upcoming birthdays.

The event was a resounding success, largely due to the collective effort of students and faculty. Special thanks were extended to Dr. Sindhuri for her invaluable participation, to Dean Dr. J. Muthukumaran, and to Vice Principal Dr. D. H. Gopalan for their instrumental support in organizing the event. The administration of Tagore Medical College was commended for their valuable contributions. We would like to extend our heartfelt thanks to the management of Tagore Medical College & Hospital for their dedication and outstanding service.
