

## **Youth Red Cross (YRC)**

### **Overview**

Indian Red Cross Society is a premier humanitarian organization which through its seven principles continued to do the activities which has been acclaimed by all sections of society nationally and internationally without any expectation.

### **The fundamental principles of Red Cross Movement are:**

- Humanity
- Impartiality
- Neutrality
- Independence
- Voluntary service
- Unity
- Universality

Red Cross society function with the one and only aim of serving people under distress without any consideration of caste, religion, language and nationality.

The Youth Red Cross is the most important constituent of its mother organization, Indian Red Cross Society. Youth Red Cross is a platform where youth can exhibit their talent, skills, knowledge, ability towards the welfare of the people and Primarily Youth Red Cross focuses on Health, Service & Friendship.

**Motto of Youth Red Cross (YRC): "to serve".**

### **Three principles of Youth Red Cross:**

- Protection of health and life
- Service to the sick and suffering
- Promotion of national and international friendship to develop the mental and moral capacities of the youth

The Youth Red Cross unit of Tagore Medical College and Hospital was established in 2023. Currently, a total of 150 students are enrolled in YRC unit of TMCH.. The activities of YRC Unit of Tagore Medical College and Hospital mainly focuses on Promotion of Health and Hygiene, Relief work during emergency situations like floods, earthquake and other natural calamities, Organizing blood donation camps and creating awareness regarding organ donation among students and general public. Apart from these cleanliness drive and environmental conservation activities like tree plantation are also carried out.
