(Affiliated to the Tamil Nadu Dr.MGR Medical University & Recognized by the Ministry of Health & Family welfare. Govt. of India New Delhi)

LMS

1. MASTER WIZARD MODULE:

The master wizard module has the facility to enter the information about college, course, degree, department, semester, attendance master settings, subject master, bell timings, course file attachments and uploading notes.

SEMESTER INFORMATION:

The semester information will be entered by the overall ERP coordinator in the subject master. The semester details window has the facility to enter the semester start date, end date, holidays, and working hours.

SUBJECT MASTER:

The courses approved in the board of Studies (BoS) will be entered by the department ERP coordinator in the subject master. The subject information window has the facility to enter the details of the subject code, subject name, credits, subject type, marks allotment and arrear fees.

COURSE FILE ATTACHMENT:

This option is entered by every faculty by attaching the course file which has the facilities to enter the syllabus and subject information.

MASTER SUBJECT ALLOTMENT:

The department ERP coordinator will select the subject offered by the department for the odd or even semester of the academic year for the subject registration of the student in the master subject allotment window and select the students for the subjects allotted in the current semester.

MBBS - PROGRAM OUTCOMES - COURSE OUTCOMES ATTAINMENT

COURSE OUTCOME ASSESSMENT

The individual course outcome (CO) attainment for each course was done by assessing the direct attainment taking continuous internal assessment (CIA) and End year examination (EYE) marks as CO assessment tools.

Aspect	Threshold	Weightage	Average performance of students	Overall course direct assessment
Internal Assessment	50%	20%	A	0.20*A+ 0.80*B = A1
End year Exam	50%	80%	B	

Course Outcome Attainment (Threshold based)

A threshold (target) level was fixed for the CIA and EYE marks of all the courses in each program to calculate the attainment of COs and the Program Outcomes (POs).

Assessment Methods		Attainment Levels
Internal Assessment	Level 1	>=50% to <60% of students scoring more than 50% marks
	Level 2	60% to 70% of students scoring more than 50% marks
	Level 3	More than 70% of students scoring more than 50% marks
End Year Exam	Level 1	>=50% to <60% of students scoring more than 50% marks
	Level 2	60% to 70% of students scoring more than 50% marks
	Level 3	More than 70% of students scoring more than 50% marks

Based on the marks obtained assessment table is given below.

Assessment Table

Particulars	Internal Assessment (A)	End Year Exam (B)
Total Number of Students Appeared (N)	150	150
Number of students Scoring above threshold (50%) (P)	124	138
CO Percentage (P/N*100)	82.7	92
Attainment Level	3	3
Weightage	0.20*3 =0.6	0.80*3=2.4
Attainment factor (A1) (0.20*A+ 0.80*B) = (A1)	3
