Subject: Invitation to Participate in the 3-Day Workshop on "Advancing Medical Education through Digital Innovation and Technology"

The Medical Education Unit is pleased to announce a **3-day workshop** titled **"Advancing Medical Education through Digital Innovation and Technology"** to be held on **November 22, 23, and 24, 2023.** This workshop aims to explore the role of digital tools and innovative technologies in transforming medical education, with a focus on enhancing both teaching and learning experiences.

Workshop Details:

- **Title:** Advancing Medical Education through Digital Innovation and Technology
- **Dates:** November 22.11.23, 23.11.23, 24.11.23
- **Venue:** Medical Education Unit
- **Number of Participants:** 40

The workshop will cover a wide range of topics, including:

- Integrating Virtual Reality (VR) and Augmented Reality (AR) in Medical Training
- Mobile Learning Tools and Applications for Medical Students
- Artificial Intelligence (AI) in Medical Education
- Simulations and Serious Games in Medical Training
- Telemedicine in Medical Education
- Collaborative Learning Through Online Platforms
- Data Analytics in Tracking Medical Student Performance
