DEPARTMENT OF PATHOLOGY
SCHEDULE FOR POST GRADUATE – 2023 - 2024

Number of Postgraduates on Rotation For Clinical Posting

- For the first 3 months weekly rotation of postings including Surgical Pathology, Clinical Pathology (including Hematology) and Blood bank (including Immuno Pathology) & 15 days postings in clinical biochemistry.
- From the 4th month to 12th month, they will be posted by rotation for 1 month in each of the following sections,
 - Surgical Pathology
 - Cytopathology
 - Clinical Pathology (including Hematology)
 - Blood Bank (including Immuno Pathology)
- From 13th month to 24th month, they will be posted by rotation in each of the following sections
 - Surgical Pathology – 3 months rotation
 - Cytopathology – 3 months rotation
 - Clinical Pathology (including Hematology) – 3 months rotation
 - Blood Bank – 1 month posting
- From 25th month to 36th month, they will be posted by rotation in each of the following sections
 - Surgical Pathology – 3 months rotation
 - Cytopathology-1 month rotation
 - Clinical Pathology (including Hematology) – 3 month rotation
 - Blood Bank- 1 month posting
- By the end of 3 years, the post graduates would have completed rotation of the following,
 - >16 months in surgical pathology
 - 8 months in cytology, Clinical pathology (including Hematology) and blood bank including immuno pathology.
- In the beginning of the course, Postgraduate has to complete an online course, Basic course in Biomedical Research conducted by ICMR as directed by the NMC.
- E- journal topic as directed by the University will be allotted 6 months after joining the PG joining and work will commence immediately.
- Dissertation topics will be allotted 6 months after joining the PG joining and work will commence in the second year
- Monthly Inter & Intradepartmental case discussion and once in 3 months, CME will be conducted during the course of the year.

HISTOPATHOLOGY TECHNIQUES – TOPICS

S. No	Topic
1	Grossing of tissues
2	Tissue fixation and types of fixatives
3	Tissue Processing
4	Microtome - Paraffin and frozen
5	Stains for - H & E
6	Stains for - Connective tissue
7	Stains for - Carbohydrates
8	Stains for - Lipids
9	Stains for - Proteins, nucleic acid, pigments and minerals.
10	Stains for - Microorganisms.

BLOOD BANK TECHNIQUES – TOPICS

S. No	Topic
1	Principles of immune system central to transfusion
2	Principles of complement system transfusion
3	Principles of RBC allo and auto antibodies formation
4	Blood groups and Rh typing
5	Indications and contraindications of blood transfusion
6	Donor screening and selection criteria
7	Cross-matching
8	Complications of blood transfusion
9	Blood components

Monday	Clinical postings	PG seminar in General and systemic pathology	Lunch Break	Preliminary dissertationwork
Tuesday		Surgical pathology technical discussion		Autopsy discussion /CPC
Wednesday		Surgical pathology slide seminar		Gross specimen Discussion
Thursday		Journal club including molecular biology topics		MBBS practical (demonstration)
Friday		PG seminar in Hematology		MBBS practical (demonstration)
Saturday		1st / 5th Saturday - Hematology slide seminar; 3rd Saturday - Cytology slide seminar; 4th Saturday - Blood bank techniques discussion.		

DEPARTMENT OF PHARMACOLOGY
POSTGRADUATE TEACHING SCHEDULE 2023 - 2024

FIRST YEAR

- Getting acquainted with the department
- Orientation course about the ethical principles and guidelines for biomedical research, research methodology, biostatistics, teaching methodology and computer applications.

CLINICAL POSTINGS IN ROTATION TO DIFFERENT DEPARTMENTS

- Medicine -2 weeks
- Anaesthesia -2 weeks
- Dermatology -1 week
- Medical oncology -2 weeks
- Microbiology / Infection control unit or dept -2 weeks
- Biochemistry -2 weeks
- Hospital Pharmacy -1 week
- Clinical trial unit/Research unit/Pharmaceutical industry & toxicology centres: 2-8 weeks
- Medical Education Unit (MEU) -1 week (optional)
- To select dissertation topic with in the first 6 months, finalized within 9 months and communicated to the TN Dr.MGR Medical University before the end of first year.
- To complete an online course, “Basic course in Biomedical Research” conducted by ICMR as directed by the NMC

TIME & DAY	8.30 – 9.30 AM	9.30 AM – 10.30 AM	10.30 AM – 1 PM	1 -1.30 PM	1.30 – 3.30 PM
MON	To attend undergraduate theory classes taken by faculties for first 3 months Next 6 months clinical postings on rotation	Lecture classes on post graduate topics	Group Discussion	LUNCH	Small Experiments
TUE			Microteaching/ Protocol writing		CAL
WED			Seminar		Large Experiments
THU			Journal Club		Small Experiments
FRI			Case discussion		Large Experiments
SAT			Pharmacokinetic/ Statistical exercise		CAL

SECOND & THIRD YEAR

- The student will start the dissertation work – Review of Dissertation work progress will be done once in 3 months.
- To get trained in Clinical trial process including ethical and regulatory guidelines.
- To get training in attitude and communication
- To get training in Pharmacovigilance and ADR monitoring
- Select topics for E-journal publications
- To conduct practical and theory classes for the undergraduate students
- To plan an undergraduate teaching programme & to set questions including MCQs
- To participate and conduct CME programmes.
- To attend conferences, workshops, and present papers in scientific sessions
- To complete the dissertation work 6 months before the schedule date of university examination.
- To complete research work for E-journal and send it to university for publication

THEORETICAL KNOWLEDGE FOR POSTGRADUATES IN 3 YEARS AS SPECIFIED BY NMC

- General pharmacology
- Systemic pharmacology
- Recent advances
- Clinical pharmacology and Biostatistics
- Applied pharmacology and therapeutics

PRACTICAL TRAINING FOR POSTGRADUTES IN 3 YEAR AS SPECIFIED BY NMC

EXPERIMENTAL METHOD DISCUSSION

- Screening and Evaluation of Drug Activities including Animal Models for Study of following actions - Analgesic, Antihistaminic, Antiallergic, Anti-inflammatory, Antisecretory, Antipyretic, Anticonvulsant etc.,
- Bioassay of– Acetylcholine Insulin, Adrenaline, noradrenaline, Antibiotics etc

EXPERIMENTAL PHARMACOLOGY EXERCISES like

- Effect of psychopharmacological drugs on conditioned avoidance response (Cook's pole climbing).
- Effect of psychopharmacological agents on foot shock induced aggression in rats.
- Effect of psychopharmacological agents on elevated plus maze.
- Effect of drugs on spontaneous motor activity of mice, photoactometer.

MINOR PROCEDURES like

- Rat tail vein injection.
- Administration of drugs to rats by gastric cannula.
- Collection of blood from rat tail.

BIOCHEMICAL PHARMACOLOGY EXERCISES:

- Identification of unknown compounds by using chemical tests.
- Estimation of drug levels using colorimetry, spectrophotometry, fluorometry, HPLC, ELISA

QUARTERLY ASSESSMENT DURING THE MID TRAINING WILL BE BASED ON:

- Journal based / recent advances learning
- Patient based /Laboratory or Skill based learning
- Self-directed learning and teaching
- Departmental and interdepartmental learning activity
- External and Outreach Activities / CMEs

- Encashment shall be paid on Basic + DA for the days applied subject to a maximum of 6 days in a year.
- In case of employee leaving mid of the year, pro-rata earned leave from the date of Joining will be the employee's entitlement any excess leave taken over and above this would be treated as "Loss of Pay" on Gross salary Any unavailed
- Earned leave would be encashed along with Full & Final settlement to the maximum of 24 days.

III. MATERNITY LEAVE (ML)

Applicability: Applicable for all female employees on full-time permanent basis employment of institution for more than 180 days of continuous service from the date of joining.

Eligibility : 2 months on “Leave with pay” and 1 month on : “Leave without Pay” basis for admin staff and 2 months for others.

Guidelines:

- 3 months Maternity leave can be availed as 1.5 months post delivery +1.5 months pre delivery [or] **3 months** after delivery. But complete maternity leave for 3 months before delivery date is not allowed. Maximum Maternity leave allowed **before** delivery date is 45 days.
- Employee shall notify the immediate supervisor on conformation of pregnancy supported by Medical certificate along with USG report and stated with an expected date as to when they intend to go on maternity leave and expected date, when she intends to return to work.
- HOD shall ensure that adequate manpower planning is made to manage during the absence of the employee and the same shall be forwarded to the Admin office. Admin office shall maintain a register to track the employees on maternity leave.
- In case of leave extension beyond 3 months of approved maternity leave after delivery date, the employee shall forward the leave extension leave to immediate superior with reason mentioned and HOD approved request to be forwarded to Dean. But these leaves will be treated as Loss of pay only even of such employee has leaves on her credit.
- In case of an employee who has not returned back to duty post approved maternity leave, then she is not entitled to claim this benefit and service will be terminated post necessary actions completed with last working date mentioned as recorded in the attendance.

iv. Compensatory leave (COL)

Applicability: Applicable for all permanent employees working on full-time basis.

Eligibility : Equivalent to one day for each day worked on a holiday / weekly off. Posting of staff on turn duty on holidays should be approved by the HOD / Medical Superintendent & Dean.

Guidelines :

- Compensatory leave should be availed within 6 months.
- Compensatory leave cannot be clubbed with any other leave
- All holiday duty done as per duty rooster must be credited in the account.

v. Academic Leave (AL)

Applicability : Applicable for Faculty [Clinical & Non clinical]

Eligibility : 8 days leave per annum

The leave can be availed for :

- Poster Presentations, E- Posters presentations, Delivering Guest Lectures, Attending Conferences/ Seminars, and chairing sessions.
- However, Dean /Management has to take decision in clearing such requests sent through HODs.
- Examination duty will not be considered for AL.
- Faculties proceeding to other Universities for paper valuation and/or as external examiners can avail it, only from the academic leave available to their credit with the prior approval of the HOD and the Dean.

Eligibility for Academic Leave :

- For availing this leave, a formal invitation duly signed in a letter head / email sent from the Official Mail Id by the member of the Organizing Committee is mandatory. Post availing this leave, a formal certificate for having given the paper presentation should be produced.

- This leave can be availed only after successful completion of one year of service
- This leave can be availed at a stretch or can be availed in installments.
- Arrangements and cost has to be borne by the individual.
- This leave cannot be clubbed with any type of leaves.

vi. Permission (PERM) :

- Any unavailed Permission will automatically lapse.
- No grace time with permission is allowed.
- Late-In beyond 1 hour or Early-out before 1 hour will be treated as half day leave.
- Special permission of 15 minutes for 3 times in a month stands withdrawn.

vii. : Loss of Pay (LOP)

Guidelines:

- When an employee absents himself from duty without obtaining prior approval, will be treated as unauthorized absence with Loss of pay, and LOP deductions shall be made on Gross salary if such employee has leaves on credit. Further, this may result in disciplinary action.
- Any extension of leave without prior approval will be treated as leave without approval / permission, as stated above.

viii. On Duty (OD) :

Guidelines:

- When an employee is assigned with any duty to work away from Tagore Campus / Health centers as directed by immediate superior, these working hours shall be treated as On-Duty.
- On- Duty is not allowed in case of self-interested /nominated training programme, but same is applicable if recommended and approval by HOD & approval form the highest approving authority of the concerned category.
- Faculties deputed to MCI recognized nodal centre for training, as required by Medical Education Unit can avail the period of absence as on duty.
- Since it is insisted upon by the Tamil Nadu Dr.MGR Medical university that faculties, who are drafted for paper valuation work or external examiner ship, is mandatory, the period spent for such work by faculties shall be treated as “On duty”, subject to the condition that proper intimation should be received from the university either by letter or through email and the written permission of the Dean shall be obtained before proceeding on such “OD”.
- Since it is not mandatory to depute the faculties of this college to other universities, they should get prior permission from the Dean before accepting the Examinership and their period of absence will be treated as leave to which they are eligible. It will apply to those who are going for Valuation of Answer Papers also with other Universities prior approval by Dean.

ix. Post Duty Off

- The Post Duty Off should be availed immediately after completion of duty on the same day or in exceptional cases the PDO can be availed on the very next day. PDOs cannot be Postponed and availed at a later date. PDOs will lapse if not taken on time.

General Rules & Guidelines:

- No leave can be claimed as matter of right and leave would be granted only at the discretion of the Management depending on the exigencies.
- The sanctioning authority has the discretionary rights to refuse, revise, curtail or revoke leave at time according to the conditions and exigencies of work. If leave request is not granted, then the superior should assign the reason for not granting such leave.
- Apart from the above mentioned leave benefits, all categories of employees are allowed to take 5 minutes grace time every day i.e employees are allowed to come late maximum by 5 minutes.
- Employees should get their leave application approved in advance by their immediate superiors in case CL and EL, SL can be applied after resuming back to duty.
- No compensatory off in between any leave period.
- Excess leave availed will be treated as LOP and deduction is on gross salary.
- Any other aberration on the above clause need to be cleared with the Dean.
- Local holidays declared by the District Collector or by the Management due to unforeseen reasons such as heavy rains, cyclone etc, Shall be treated as holidays only for the students, whereas the Hospital shall function as usual on those days and faculties and other staff are not eligible for such holidays.
