## Detailed report of the program

The World Leprosy Day 2024 awareness program was organized by the Department of Community Medicine, TMCH in the patients waiting hall. Welcome address was given by Dr. C.Sivagurunathan, Professor, Department of Community Medicine. He gave a brief introduction about World Leprosy Day and it's theme for 2024 'Beat Leprosy'. The program was headed by Dr.J.MuthukumaranM.S ,Mch, Dean, TMCH who talked about the various myths related to leprosy. The Medical Superintendent of TMCH, Dr.B. Jayakumar provided the details of the diagnostic and treatment facilities available for Leprosy in the institution to the audience. Dr. Ramesh Harihara Iyer, Professor and HOD, Department of Community Medicine, shared a short story on stigma associated with leprosy to the audience. The Post graduates and CMRIs of the department of Community Medicine staged a role play to create awareness about symptoms and signs of Leprosy. Following the role play, Dr. A. Vikram, Assistant Professor in the Department of Community Medicine, summarized the role play and clarified the leprosy related doubts of the audience. The details of available treatment and government schemes related to Leprosy was shared with the audience by Dr.Aarthi, Final year Post graduate in Department of Community Medicine. Vote of thanks was delivered by Dr.Divya, Senior Resident, Depart of Community Medicine.

## Detailed report of the program

The World Cancer Day awareness program was conducted by the Department of Community Medicine, TMCH in the patients waiting hall on 06<sup>th</sup> February 2024. Dr.A. Vikram, Assistant Professor, Department of Community Medicine delivered the welcome address along with a brief introduction about World Cancer Day and the theme for the year 2024 – ‘Together, we challenge those in Power’. Dr.B. Jayakumar, Medical Superintendent, TMCH headed the event and delivered a health talk on the early warning signals of cancer and the early diagnostic facilities available for the different types of cancer. The Post graduates and the CMRIs of the department of Community Medicine staged a role play highlighting the importance of early diagnosis and treatment of cervical cancer to save lives of the affected women. The role play was followed by a health awareness talk by Dr. Mahitha, Final year Post Graduate in the Department of Community Medicine, who discussed the various risk factors for cancer and the preventive strategies. Dr. Karthik. R. C, Associate Professor, Department of Community Medicine highlighted the importance of HPV and Hep B vaccination to prevent cancers and the availability of vaccines in TMCH. The vote of thanks was delivered Dr. Deepak Avinash. K. R. Assistant Professor, Department of Community Medicine.

## Detailed report of the program

The World Malaria Day is observed by World Health Organization every year on 25 April. The theme for the year 2024 is "Accelerate the fight against malaria for a more equitable world" through:

- Ending discrimination and stigma
- Engaging communities in health decision-making
- Bringing health care close to where people live and work through primary health care
- Addressing factors that increase malaria risk
- Including malaria control interventions in universal health coverage

The Department of Community Medicine, TMCH observed the World Malaria Day 2024 by organizing a roleplay by the CRMIs and Post graduates of the community medicine department. Dr. A. Vikram, Associate Professor, Department of Community Medicine delivered the welcome speech in which he gave a brief introduction of the World Malaria Day and the theme for the year 2024. The program was inaugurated by Dr. J. Muthukumran, Dean, TMCH. He emphasized the importance of early diagnosis and appropriate treatment for Malaria. Dr. B. Jayakumar, Medical Superintendent, TMCH gave a brief description of the investigations and treatment facilities for malaria available in government and private health institutions. The CRMIs and the post graduates staged a roleplay where the importance of early diagnosis and treatment was emphasized. The role play was summarized by Dr. B. Sharmila, first year post graduate, community medicine highlighting the symptoms of Malaria, its diagnosis and treatment. After the role play, Dr. C. Sivagurunathan, Professor, Department of community medicine interacted with audience by clearing their doubts related to Malaria. He highlighted the various strategies to prevent Malaria in the community. The session was concluded with a vote of thanks by Dr. Divya Parvathy, Senior Resident.

## Detailed Report of the Programme

- Departments of Community Medicine organized an Educational Role Play on 31.5.24 at patients Reception Lounge, TMCH commemorating “*World No Tobacco Day*”. The WHO theme for the year 2024 is ‘*Protecting children from tobacco industry interference.*’
- A short introduction regarding the history and importance of “World No Tobacco Day” was given by Dr. G. Harish, Assistant Professor, Dept of Community Medicine.
- Followed the introductory speech, Dr. J. Muthukumaran, Dean, TMCH addressed the crowd and briefly explained the harmful effects of tobacco consumption.
- This was followed by the roleplay of CRMIs in which the long-term side effects of smoking was portrayed along with highlighting the ill effects of asking young people to buy cigarettes and tobacco from shops. The role of peer pressure in influencing youngsters into smoking habit was also emphasized in this roleplay.
- After the roleplay, Dr. Ramya, first year post graduate in community medicine gave a brief summary on the epidemiology of tobacco related diseases and created awareness regarding COTPA Act.
- Vote of thanks was given by Dr. Archana, second year post graduate in community medicine.

## Detailed report of the program

National Dengue Day ,observed annually on May 16<sup>th</sup> serves as a reminder of the importance of raising awareness and taking preventive measures against dengue fever. As the world grapples with the ongoing challenges posed by this mosquito-borne disease, it is crucial for individuals and communities to take proactive steps to protect themselves and their families, in order to emphasise the awareness of Dengue in the community, Department of Community Medicine organised a role play in our hospital premises. The Dengue Day program introduction was given by Dr. A. Vikram, Associate Professor, Dept of Community Medicine. The program was inaugurated by Dr. J. Muthukumaran, Dean, TMCH, Dr. B. Jayakumar, Medical Superintendent, TMCH and Dr. D. H. Gopalan, Vice Principal. TMCH. The CRMIs posted in department of community medicine staged a roleplay and created awareness about the importance of diagnosing and treating the dengue fever at early stage. After the roleplay, Dr. R. Gayathri, first year post graduate in community medicine, explained the symptoms of dengue fever to the public. She also emphasized the various preventive measures of dengue fever. The session was concluded with a vote of thanks by Dr. M. Ezhilvanan, Associate Professor in Dept of Community Medicine.

## Detailed report of the program

Departments of Community Medicine organized an Educational Role Play on 31.5.24 at patients Reception Lounge, TMCH commemorating “**World No Tobacco Day**”.The WHO theme for the year 2024 is ‘ *Protecting children from tobacco industry interference.* ’

- A short introduction regarding the history and importance of “World No Tobacco Day” was given by Dr. G. Harish, Assistant Professor, Dept of Community Medicine.
- Followed the introductory speech, Dr. J. Muthukumaran, Dean, TMCH addressed the crowd and briefly explained the harmful effects of tobacco consumption.
- This was followed by the roleplay of CRMIs in which the long-term side effects of smoking was portrayed along with highlighting the ill effects of asking young people to buy cigarettes and tobacco from shops. The role of peer pressure in influencing youngsters into smoking habit was also emphasized in this roleplay.
- After the roleplay, Dr. Ramya, first year post graduate in community medicine gave a brief summary on the epidemiology of tobacco related diseases and created awareness regarding COTPA Act.
- Vote of thanks was given by Dr. Archana, second year post graduate in community medicine.

## Detailed report of the program

The WHO celebrates World Food Safety Day on 7 June every year to raise awareness about the importance of food safety and promote measures to ensure that the food we consume is safe. This year's theme underlines the importance of being prepared for food safety incidents, no matter how mild or severe they can be. In order to emphasise the importance of food safety in the community, Department of Community Medicine organised a role play in outhospital premises. The World Food Safety Day program introduction was given by Dr.A.Vikram, Associate Professor, Dept of Community Medicine and the program was inaugurated by Dr.J.Muthukumaran, Dean, TMCH and Dr.Shanthimalar, Director, TMCH. The other dignitaries on stage were Dr.B. Jayakumar, TMCH, Dr. D. H. Gopalan, Vice Principal, TMCH and Dr. C. Sivagurunathan, Professor, Department of Community Medicine, TMCH. The importance of World Food Safety Day and the theme for the year 2024 "**Prepare for the unexpected**" was explained to the audience by Dr.A.Vikram. The CRMIs posted in the dept of community medicine staged a role play to create awareness about Food safety to the public. The roleplay was followed by a health talk on 'The 5 keys to food safety' by Dr.Mahitha, final year post graduate in community medicine, TMCH. The session was concluded with a vote of thanks by Dr.Vikram..
