ACHIEVEMENTS THAT LED TO INSTITUTIONAL EXCELLENCE

Tagore Medical College and Hospital was instituted in the year 2010 - 2011 in a sprawling, lush green campus covering 3,88,332 square feet with the approval of the National Medical Commission for the intake of 150 seats. The core values of this institution are to shape young students into committed and skilled medical professionals, dedicated to serving the community with distinct vision and mission.

The institution takes immense pride in its 818-bedded, multispecialty hospital, which is accredited by NABH and encompasses a total built-in area of 42,000 square feet, housing all clinical and para-clinical departments. The hospital boasts five ICUs, including NICU, RICU, and ICCU, ensuring round the-clock services for Accident and Emergency trauma care.

Also, the institution takes pride in it is accredited by the National Assessment and Accreditation Council (NAAC), an Autonomous institution of the University Grants Commission, with "A Grade" with Cumulative Grade point average of 3.02, a recognition of our commitment to academic excellence, quality education, and continuous improvement.

Tagore Medical College celebrates World Blood Donor Day

Tambaram, June 15: World Blood Donor Day was celebrated in Tagore Medical College and Hospital, Rathinamangalam, near Vandalur on Friday. Department of Pathology organised a public awareness rally which was inaugurated by Dr. M. Mala, chairperson and Trustee of Tagore educational trust. Mr. G. Manikandan, secretary of Tagore educational trust, Professor Dr. G. Manikandan, Dean of Tagore medical College and Hospital, briefed the importance of blood donation. Professor Dr. Shanthi Malar, director of Tagore medical College and Hospital, Professor Dr. DH. Gopalan, vice principal, and Dr. C. Jack, Head of the Department of Pathology, encouraged the students to donate the blood for needy patients in their previous life. The rally commenced at Tagore Engineering College campus via Vandalur, Kelambakkam road and reached Tagore Medical College. More than 100 MBBS students, 15 Post Graduate students and faculties of Pathology Department came with Slogan content banners to create awareness about voluntary blood donation. In addition to rally there was a small skill performed by Tagore Medical College students to create awareness regarding blood donation followed by voluntary blood donation. About 40 students and 20 public donated in the Tagore Medical College Hospital.

World Kidney Day rally held at Four Tagore Medical College

Tambaram, Mar 15
Rajasekhar, head of urology department of Tagore Medical College, said that a large number of school and college students and women who go to work are suffering from kidney disease.

On the occasion of World Kidney Welfare Day, Tagore Medical College organised a kidney awareness rally. Students and associate medical college students of Rathinamangalam Tagore Medical College near Vandahur were participated in the rally on Thursday.

The awareness rally started from Kilambakkam bus station and the students carried awareness banners. Later, 30 people were given free kidney check-

up in Tagore Medical College Hospital.

Speaking at the seminar D. Rajasekhar, head of urology department said, That a large number of school and college students and women who go to work who take less water are suffering from kidney disease.

The habit of eating

salty and spicy snacks among school students has increased.

Most of the parents don't know the effect. High amount of salt increases the blood pressure and affects the kidneys. Not only school and college students but also women who go to various jobs do not drink

enough water to avoid urinating, Rajasekar said.

Tagore Medical College Medical Superintendent P. Jayakumar, Pharmacy Department Head P. Prasanna, Associate Medical Education College Principal L. Asha, Medical College Principal Radhakrishnan and others participated in the event.
