	Issue No : 02
	No of Page : 1-2
	Date : 07/03/2023
Next revision	2026

Objectives	<p>To enable the practicing physicians and surgeons to be financially protected against risks and legal liabilities that arise out of professional incidents</p> <p>To sensitize the interns, postgraduates and young practitioners on the legal issues related to professional risks and the benefits of the indemnity insurance protection.</p>
Principle (s)	The policy ensures that the practicing physicians and surgeons are duly financially protected against the legal liabilities due to professional risks
Definition	Professional Indemnity insurance is designed to provide legal and financial protection to the medical practitioners from any professional errors leading to claims/allegations from their patients which may be not of their fault or due to negligence, but not including the criminal act, fines and penalties, exemplary damages or a deliberate act of negligence.
Procedure with SOP	<p>It is decided by the institution that the surgeons and physicians working in Tagore Medical College and Hospital shall have a "Professional indemnity bond" (Insurance) to a minimum value of Rs. 10.00 lakhs (Ten lakhs) in order to meet any untoward incidence happens during their professional duties. After taking the insurance policy, the necessary proof shall be furnished to the institution.</p> <p>The surgeons and physicians who are already covered under the scheme through Indian Medical Association shall furnish a certificate of having taken the bond already.</p> <p>Awareness programs are to be conducted for the postgraduates and the interns on the legal and financial liabilities and due to professional risks and the benefits of taking professional indemnity insurance during real time clinical practice.</p>
