## TO WHOMSOEVER IT MAY CONCERN

This is to certify that the Institution has a stated Code of Ethics for research, the implementation is ensured by an Institutional ethics committee which oversees the implementation of all research projects which are subjected to the Institutional ethics committee clearance. The Institution has plagiarism check software based on the Institutional policy and the norms and guidelines for research ethics and publication guidelines are followed. The Web link of the Code of Ethics for Research and the invoice of plagiarism check software (Grammarly) is submitted. The above claim is true to the best of my knowledge.
