Intellectual Property Rights and Patent by Tagore Dental College

Guest Lecture on Intellectual property rights and patent program was organized by Tagore Dental College and Hospital on 02-12-2020 at 10:00 in the college auditorium. Dr. I. Kannan, Associate professor, Department of Microbiology, Tagore medical college and hospital was invited as the resource speaker. He has completed his doctoral degree in medical microbiology from the University of Madras. He holds the post of officer in-charge of the central research laboratory.

The lecture presentation focused on the concepts of patenting and the ways in which one can safeguard his/her work from being stolen. He gave a clear picture about the various method of application of national and international patents. There were 51 participants in the program. Overall the program was very interactive and informative.
