TO WHOMSOEVER IT MAY CONCERN

This is to certify that Dhanvantri Biomedical Private Limited did the Phase I Clinical validation under our Tagore Medical College and Hospital. They have presented in our committee consisting of Dean, Medical Director, Medical Superintendent, Doctors and other esteemed members.

Then they moved forward to complete clinical validation-Phase I. At the end of clinical validation, output was presented to the committee.

Response:

- ❖ The committee gave them a positive approbatory response where they stated that the product Sahayatha is bringing comfort to the patient with convertible wheelchair cum bed.
- ❖ Sahayatha is providing enormous support for patients in assisting them in defecation process with novel cleansing idea maintaining the dignity.
- ❖ The product decreased the number of caretakers involved for assisting patient during the defecation process.

Suggestions:

- The committee also gave suggestion to place a bag to collect the urine and fecal matter to maintain the dignity of the caretaker as well.
- Include the hot air blow to facilitate the drying of washed area

We are looking forward to procure the product 'Sahayatha'.

We wish the team Sahayatha for their future success.

Dr. KUMUDHA LINGARAJ, M.D., D.A.

Intellectual Property Rights and Patent by Tagore Dental College

Guest Lecture on Intellectual property rights and patent program was organized by Tagore Dental College and Hospital on 02-12-2020 at 10:00 in the college auditorium. Dr. I. Kannan, Associate professor, Department of Microbiology, Tagore medical college and hospital was invited as the resource speaker. He has completed his doctoral degree in medical microbiology from the University of Madras. He holds the post of officer in-charge of the central research laboratory.

The lecture presentation focused on the concepts of patenting and the ways in which one can safeguard his/her work from being stolen. He gave a clear picture about the various method of application of national and international patents. There were 51 participants in the program. Overall the program was very interactive and informative.
