ANNUAL REPORT 2021-2022

Most Respected Chief Guest, Dr Shantaram, Guest of honor Dr Andal Chokalingam ,our beloved Chairperson Prof. Dr. M. Mala, respected Secretary Sri. Manikandan, Medical Superintendent, HODs, Professors and dignitaries off the dais, students & parents.

A very good morning to you all....

I deem it a great privilege in presenting to you the annual report for the academic year 2021-22 in today's Induction day function.

Tagore Educational Trust was established in the year 1997 with the main objective of rendering Philanthropic Educational Services such as Medical, Dental, Engineering, Nursing, Physiotherapy, Pharmacy, Arts and Sciences and Allied Health Sciences. The prestigious Tagore Medical College Hospital was established by the Founder Trustee and Chairperson, Prof. Dr. M. Mala in the year 2007.

With the approval of the Government of Tamil Nadu and the Ministry of Health and Family Welfare, Government of India, New Delhi, 150 students were admitted to undergo MBBS degree course from the academic year 2010-11 onwards. The College is affiliated to the Tamil Nadu Dr. MGR Medical University, Chennai.

In the year 2015 , the college was recognized by the ministry of health New Delhi. National Accreditation Board for Hospitals & Healthcare Providers has certified that our College and Hospital has been assessed and found to comply with NABH Hospital requirements in clinical services, diagnostic services, laboratory services, transfusion services and professions allied to medicine. The virology lab of our college has been approved by ICMR for COVID-19 testing. In addition to this, Government of Tamil Nadu has approved our hospital for testing samples of RT-PCR.

As per the guidance of the government we reserved 50% bed occupancy for covid patients. As our hospital has rendered vigorous service towards the treatment of covid patients and we successfully treated 1145 COVID patients were treated with negligible death rate and 5494 persons were tested for RT-PCR/Antigen test in our hospital. Tagore Medical College and Hospital is accredited by NABL of the Government of India.

Our Medical College and Hospital has been upgraded into a Post graduate Medical Institution from the academic year 2020-2021 in the speciality of General Medicine, General Surgery, Obstetrics and Gynecology, Orthopedics, Ophthalmology, Pathology and Community Medicine with the approval of Government of India and the University.

Approval for starting PG degree courses in the specialities of Radiodiagnosis, Anesthesiology and ENT to admit students from current academic year 2021-2022 is also granted and the students are admitted.

Proposal to upgrade the departments of Pediatrics, Microbiology, Pharmacology, Respiratory Medicine and DVL waiting for the NMC approval for starting the Postgraduate courses. Our ultimate aim is to upgrade our institution as a Super-Speciality Institution.

All public health schemes such as CMCHIS, Swatch Bharath, Dr. Muthulakshmi Reddy Maternity Scheme, Blindness control etc. are implemented. In recognition of Implementation of AYUSHMAN BHARAT PAKHWARA 2021, we have received certificate of appreciation from the Government of Tamil Nadu.

Tagore Medical College and Hospital has two separate multistore buildings in a unique complex with 818 beds and a Super-Speciality Hospital with 20 beds.

Everyday around 1500-2000 out-patients and 600-700 in-patients are benefitting from our hospital. The hospital boasts of State – of - Art high end Equipments, 24 hours accident and

emergency services, ambulance facilities, ICU, ICCU, Burns ICU, SICU, RICU, PICU/NICU and well equipped, CATH lab and Major & Minor operation theatres.

Super-specialty services such as Cardiology, Neurology, Medical Gastroenterology, Nephrology, Plastic Surgery, Urology, Endocrinology, Pediatrics Surgery, Neuro Surgery are also available.

Apart from the basic laboratory services and imaging modalities, our hospital has specialized imaging facilities such as MRI, CT, mammogram, DSA, central laboratories etc.

A separate blood bank with components separator working 24x7 is available.

We also have a modern dialysis centre that provides safe dialysis for more than 70 patients per day round the clock.

Good hostel facilities for boys and girls are available within the campus. Senior faculty members are chief wardens and residents are deputy wardens in the hostel.

AC buses and mini buses ply across the Chennai city, Chengalpattu and Kancheepuram district for the benefit of day scholars.

Regular academic programs like lectures, guest lectures, CME's, Journal Club, Symposium, Conference, workshop, clinical society meeting, drug audit committee meeting, mortality audit meeting, ethical committee meeting, pharmacovigilance meeting, group discussion, poster presentation, clinico pathological conference are organized in our college.

The institution had conducted 6 gender equity programs on commemorative days like International womens day, International Mothers day, International Yoga day and International breast feeding awareness week. The dept. of OBG had conducted gender sensitization program

for adolescent girls in the schools in and around the community. A conference on 'Gender sexuality and rights' for Transgenders was organized by Dept. of Forensic Medicine.

For the enrichment of the medical curriculum we have increased the number to 8 Add-on courses including ECG interpretation, BLS, HICC, Malaria, Transfusion medicine, and 9 Value added courses on Yoga, computer skills, Bioinformatics, Basic epidemiology, Research methodology etc. Programs on NEET -training, career counseling were also conducted.

Around 150-200 free health camps are conducted every year in and around nearby villages.

Through Urban centre in Chrompet and rural centre in Kelambakkam, the Centre's spreads awareness on communicable and non-communicable diseases for the general public along health care services to the nearby population .

Till date five batches of students have successfully graduated from this Institution. Happy to share that our first batch student Dr. Karpagavalli received 15 gold medals, Avvai Memorial endowment prize, Dr. R. H. Kulkarni Award, Prof. Lalitha Kameshwaran gold medal to name a few. It is indeed a great honour and pride for our Institution.

Another feather to the cap of our Institution is Dr. N.S.Soundarya who has been awarded Dr. S. Gnanadesikan and Dr. S. Subramanian gold medal for securing the highest mark in the second year MBBS degree course in the subject of Microbiology at the University level and some of our faculty members have also received grant for research from EHCf School of medical informatics ,Delhi and MIMER in 2021.

Naming few more to the list are by Dr Kasthuri Assistant professor Dept of Biochemistry who was awarded with the first prize in the Third world congress on Infectious disease on antibiotics 2022.

Ragging is prohibited in our Institution. However if any such incidents happens, as per the Honourable supreme court of law, the punishment will be very severe to extend of penalty, imprisonment, dismissal, etc., at any time during the course of your entire study period.

The National Medical Commission has come out with new ideas from their past experiences in attitude, behavior, health hazards early exposure to Health care, physical fitness, computer knowledge, language barrier, etc., as the foundation course for the first batch of MBBS students from August 2019 and we are going to implement very successfully from now onwards.

Dear friends, you have entered into a noble profession, it is our duty to do dedicated services to the poor and sick patients. Service to the poor is service to the god. All the patients are your practical textbook to learn medicine apart from reading the theory. In present era the medical curriculum is developing in various specialty with upgraded treatment and researches. As a medicos, we have moral and ethical responsibility to cater services and treatment to the poor and rural sick patients. Your service is a wonderful service and will be highly appreciated if you reach the remote villages where they do not have any facilities to take even simple treatment. Hence my dear friends, you all have come out with flying colours from school to medical college and I hope you all will bring more laurels to our Institution and name and fame to you and to your parents.

So our college will serve you to your full expectation and this institution will stand as a signature in your life.

Tagore Medical College and Hospital has committed teachers with due moral support of our respected **Chairperson and Secretary** to bring up to this height. The Medical Superintendent, Administrative Officer, all HOD's and other faculties are also taken equal responsibility to buildup and maintain the high academic standard of this institution.

Our journey is very smooth and lively because of untired, constant, immense support of our Chairperson. Her simplicity, softness, approach, self confidence and motherly attitude made us to work more comfortable and committed.

ANNUAL REPORT 2018 -19

Tagore Medical College and Hospital, founded by Professor M. Mala in 2010 under the Tagore Educational Trust which was formed in the year 1997, aims to provide high-quality education in the fields of Medicine, Engineering, Arts, Science, and Humanities. The trust has established various institutions, including Hilton Matriculation School, Tagore Dental College, Tagore College of Nursing, Tagore Engineering College, Jerusalem Engineering College, Tagore Arts and Science College, Tagore Teachers Training School, Tagore Institute of Allied Health Sciences, Tagore College of Pharmacy, and Tagore College of Physiotherapy, covering a wide range of educational needs from school to professional education.

The college, affiliated with TN Dr. M.G.R Medical University, is recognized by the Ministry of Health, Government of India, and approved by the Medical Council of India, New Delhi. It started with the first batch of 150 MBBS students in 2010.

The college's VISION is to provide state-of-the-art medical technology and train dedicated and highly skilled medical professionals committed to serving the poor and needy community. Their MISSION is to create a high-quality teaching-learning environment, provide advanced facilities to faculty and students, and integrate character, ethical, and moral values into human resources.

The college and hospital are spread over a total area of 1,35,000 sq. mtr, with the college occupying 18,000 sq. mtr and the hospital covering 60,000 sq. mtr. There are additional facilities like hostels for students and staff quarters, covering an area of 67,000 sq. mtr. The Teaching Hospital has 818 beds, including 128 service beds, and is equipped in accordance with the norms set by the National Medical Commission and the Tamil Nadu Dr. MGR Medical University.

The hospital provides a wide range of services, including 24-hour accident and emergency services with ambulance facilities, various Intensive Care Units (ICU,IMCU,IRCU,NICU,PICU,OG ICU), well-equipped major and minor operation theaters, and a team of super-specialists in fields such as

Neurology, Neurosurgery, Gastroenterology, Nephrology, Cardiology, Oncology, etc. We have also donated a fully equipped ambulance to the Kanchipuram district collector for general public utility.

The hospital offers comprehensive diagnostic facilities, including radiological investigations like X-Ray, MRI, CT Scan, Doppler, ITV, Ultrasound, Mammogram, and laboratory investigations in the fields of Biochemistry, Microbiology, Pathology, ECG, and ECHO, all operating round the clock. They also have a separate blood bank with a component separator working 24X7.

The College Block is a multistorey building with all the necessary infrastructure department-wise, meeting the requirements set by the Medical Council of India (MCI). It includes Lecture Halls, Demo Rooms, Practical Laboratories, an air-conditioned Library with reading rooms, Journals, Internet access, an Examination Hall, Auditorium, Medical Education Unit, Central Research Laboratory, and an E-Library.

The college prides itself on having experienced senior Medical Teachers dedicated to providing quality education and promoting research methodology among the upcoming medical graduates. The motto of the institution reflects the importance of service and the joy it brings in making a difference in people's lives.

Hostel:

We have separate hostel facilities for both boys and girls to accommodate 250 girls and boys separately. We have a deputy residential warden and chief warden for both boys and girls and mess facilities providing tasty, hygienic food with a good ambiance.

Transport:

In consideration of safety and punctuality, we have provided transport facilities with 12 buses & minibusses to cover the entire Chennai city, Chengalpeta and Kanchipuram district.

Academic:

We have been conducting regular academic programs throughout the year like lectures, CME's, journal clubs, symposiums, Conference, workshops, clinical society meetings, drug audit committee meetings, mortality audit meetings, ethical committee meetings, pharmacovigilance, group discussion, poster presentation, clinicopathological conference with credit points and hours accredited to Tamilnadu Dr.MGR medical university and Tamilnadu medical council. We also encourage our students to do paper presentations, publications, ICMR projects and to attend both National and International conferences etc. Extracurricular activities like sports, cultural, rural health programs, women's day programs, annual day, Pongal day and indoor games are also celebrated to enhance the enthusiasm of students.

To enrich our medical curriculum we have conducted 5 Add-on course on ECG interpretation, BLS, and 5 Value added courses on Yoga, computer skills, Research methodology etc. Programs on NEET -training, career guidance were also conducted for the final years and CRRIs. We had also created various allied health sciences courses like accident and emergency, OT technician, physician assistant, radiology technician, optometry, physiotherapy, pharmacy & medical laboratory technician. We provide comprehensive care with Dental College and Nursing College to provide Dental care and Nursing care.

The various programmes successfully implemented in our institution are CMCHIS, Swatch Bharath, Dr. Muthulakshmi Reddy maternity scheme, Blindness Control etc., to mention a few. These schemes are announced and monitored by the central and state Government.

We also conduct periodic health camps around 150-200 per year in nearby villages with free treatment. We also conduct regular programs in the preventive aspect of both communicable and non-communicable diseases among the rural population through our urban centre in Chrompet and rural centre in Kelambakkam. We are also doing screening programs and providing treatment for factory and industrial workers in and around this area.

All the Departments in coordination with Community Medicine are taking an active part in this aspect and also they do stage plays, short films, medical camps, street plays for all world health day to create awareness among the general public.

Tagore Educational Trust particularly Tagore Medical College is imposing the rules and regulations very strictly for the students regarding discipline and attendance.

For Boys:

- Should wear formal full pants, full/half sleeves shirt duly tucked in.
- Should wear formal shoes and not slippers
- Jeans pants and T-shirt are prohibited
- Hair should properly be combed and colouring of hair is not permitted.

For Girls:

- Should wear sarees /salwar kameez/churidar
- Sleeveless jackets, jeans pants, T.Shirt, Short kurtis, and leggings are prohibited.
- Hair should not be left loose and should be well groomed. Colouring of hair is not permitted.

Besides they should wear a clean white overcoat, half sleeve with college logo and also they should display their ID Card. The above dress code is compulsory for all the students of the second year onwards, till they leave the Institutions.

Regarding the first-year students wearing prescribed uniforms, which were supplied to them is compulsory. The first-year students are however exempted from wearing uniforms on Saturdays only but they should strictly adhere to the dress code prescribed.

The faculties should also set an example for students by adhering to the dress code. All HODs and faculties should monitor adherence to the dress code. Any violation shall be dealt with seriously.

The institution had conducted 5 gender equity programs on commemorative days like International womens day, International Mothers day, International Yoga day and International breast feeding awareness week. The dept. of OBG had conducted gender sensitization program for adolescent girls in the schools in and around the community.

Attendance & Working Days:

Each student is required to attend punctually at the Scheduled hour for lectures, dissection, practicals, outpatient clinic and wards.

Each academic year consists of 240 working days out of which 75% attendance is compulsory to appear for the University Examination. However, the institution is insisting on more than 85% attendance to maintain the high standard. This applies even to the additional batch of MBBS students. There shall be no condonation for lack of attendance for the course.

Student Achievements:

Out of the 119 students, who gave the University final examination, 84 % of the students cleared the exams successfully and with good percentage scores. The institution takes pride in the achievement of various students and faculties.

Two students from the 158 batch, had gone to Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry, for poster presentation. Miss. S.Roshini (158 batch) has won first prize under the guidance of Dr.E.Suganya, Assistant professor Department of Community medicine MEDZANTICA-2K18.

In the ophthalmology meet held at Madurai medical college in 2018, 35 colleges from all over Tamil Nadu and Pondicherry participated. 15 students from Tagore Medical College participated and we won 3 prizes . First prize was won by S.Sathish Kumar, K.Aishwarya , N.Aishwarya and 3rd place was won by M.Sneha, M.Amrita Teresa and D.Nivetha for the quiz(eye-Q) contest. Third prize was won in contest JAM(just a minute) by M.Sneha.

In the event, OTOFEST held at Trichy Medical College in the year 2018, miss. Pavithra PB and Monisha M won 2nd prize for a rare case presentation on the topic of endoscopic ear surgery.

Dr.Sree T Sucharitha-Associate Professor, Department of Community Medicine received RULA International Medical Awards 2018 for her research project.

Regarding Ragging:

Ragging is strictly prohibited in our institution and any such incidents will be dealt with severely, in line with the guidelines set by the Honorable Supreme Court of India. Punishments may range from penalties to imprisonment, dismissal, or other severe actions, if necessary.

Our institution places great emphasis on the noble profession of medicine and the responsibility of providing dedicated services to underprivileged and sick patients. We believe that patients themselves are valuable sources of practical knowledge, supplementing the theoretical wisdom acquired during studies. We actively encourage medical curriculum advancements and research to continuously improve treatment methods and enhance medical services.

At our institution, we instill a strong sense of commitment in our students to serve underprivileged and rural communities, where healthcare facilities may be lacking. We believe that by doing so, our students can make a significant impact and bridge the healthcare gap.

The unwavering support of our esteemed Chairperson, Secretary, Medical Superintendent, Administrative Officer, Heads of Departments (HODs), and faculty members is what enables us to maintain high academic standards. Their dedication and leadership are crucial in creating a comfortable and committed working environment for all.

Our Chairperson's leadership qualities are exemplified by her simplicity, approachability, self-confidence, and motherly attitude. Under her guidance, our journey has been smooth and lively, thanks to her tireless and constant support.
