Report of the 'Workshop on e-content development on 23rd and 24th October 2017'

The Medical Education Unit of Tagore Medical College and Hospital, Rathinamangalam conducted a 'Workshop on e-content development on 23rd and 24th October 2017' in the Lecture hall -1, college campus for all the senior teaching faculties of the institute. The workshop aimed to equip the senior teaching faculties of the institution with the knowledge and skills to create effective and engaging digital learning materials.

The Dean, Dr. S. Shantha along with Dr. Thirunarayanan, Medical Superintendent, Tagore Medical College & Hospital inaugurated the workshop by lighting the lamp. The resource persons Dr. Narasimman from Faculty of Allied Health Sciences, SRIHER and Dr. Anbarasi from Faculty of Dental Sciences, SRIHER were introduced to the participants by the MEU- Coordinator.

The workshop began with an overview of e-content development and its benefits in modern education. The resource person highlighted the importance of e-content in the digital era. In the next session, the defining the purpose and goals of e-content and setting clear objectives were discussed. After a short tea break, the session on content planning and organization followed by exploring different content formats and selecting appropriate resources and reference materials were discussed by the resource persons. The participants were given hands on training in developing engaging e-content in the last forenoon session.

After lunch break, incorporating formative and summative assessment strategies along with providing constructive feedback to learners and designing effective quizzes were addressed. The final session provided much needed information on the pros and cons of various e-content delivery methods and the ways of optimizing e-content for mobile devices. The workshop provided the participants with an understanding of the key elements involved in creating effective digital learning materials. Through the interactive sessions, demonstrations, the participants gained hands-on experience and acquired the necessary skills to develop engaging and interactive e-content.

The program ended with valediction ceremony where the participants were awarded certificates by the Dean and the Medical Superintendent.

Report of the 'Hands –on workshop on MS Office' on 5th, 6th and 7th December 2018

The Medical Education Unit of Tagore Medical College and Hospital, Rathinamangalam conducted a 'one day hands-on workshop on MS Office' for three consecutive days on 5th, 6th and 7th December 2018 in the Lecture hall -1, college campus for all teaching faculties of the institute. The objective of the workshop was to provide the participants with comprehensive knowledge and practical skills in using Microsoft Office applications effectively.

The resource persons were Dr.S. Surendran, HOD, Department of Computer Science and Engineering, Tagore Engineering college, Rathinamangalam and Mr. Anil Jenifer, System analyst, IT Cell, Tagore Medical College and Hospital, Rathinamangalam.

The program started with inauguration presided by the Dean, Dr. N. Gunasekaran and Medical Superintendent, Dr. Sivaprakasam.

Dr. S. Surendran took the first session on Introduction to MS Office where the participants were introduced the basic functions and usages of MS Office in day to day work. This was followed by a short tea break after which two back to back sessions on MS Word –Essentials, Tips & Tricks and MS Excel Essentials, Tips & Tricks were conducted by Mr. Anil Jenifer. In these sessions, the participants were given hands-on training in creating, formatting and editing documents and spreadsheets along with time saving shortcuts and productivity hacks.

After one hour lunch break, the hands-on session on MS PowerPoint Essentials, Tips & Tricks was moderated by Dr. Surendran. In this post lunch session, the participants were provided with hands on training on creating visually appealing and impactful presentations in addition to the time saving tips and productivity hacks. Dedicated time was allocated throughout the workshop for participants to ask questions, seek clarification and receive guidance from the facilitator. Overall the workshop successfully equipped participants with necessary proficiency in MS Office applications for enhanced productivity and professional growth.

The program ended with valediction ceremony where the participants were awarded certificates by the Dean.

Report of the 'Workshop on YouTube Educational Content Creation on 10th and 11th September 2019'

The Medical Education Unit of Tagore Medical College and Hospital, Rathinamangalam conducted a 'Workshop on YouTube Educational Content Creation on 10th and 11th September 2019' in the Lecture hall -1, college campus for all the senior teaching faculties of the institute. The workshop aimed to provide participants with comprehensive knowledge and practical skills for creating engaging and impactful educational content on YouTube.

The program was inaugurated by Dr. N. Gunasekaran, Dean, Tagore Medical College & Hospital with the lighting of lamp. The resource persons were Dr. S. Surendran, Professor and Head, Department of Computer Science and Engineering, Tagore Engineering College and Mr. Anil Jenifer, System Analyst, IT Cell, Tagore Medical College & Hospital.

Dr. Surendran gave a brief introduction on Youtube Channels and an overview of the importance of educational content on YouTube. In the session, the participants learned how to define their target audience, choose a niche and develop a unique channel branding and identity. After tea break of 15 minutes, Dr. Surendran discussed the importance of understanding the audience needs in content planning and ways of gathering reliable information. In the post lunch session, the participants acquired knowledge and skills in script writing, filming, editing and optimizing videos for YouTube. The workshop incorporated interactive activities to enhance participant engagement like scriptwriting exercises where then participants were given a topic and were asked to create a script for educational video. Dedicated time was allocated throughout the workshop for participants to ask questions and seek clarification on specific topics. The workshop's interactive nature, practical exercises and expert guidance ensured an enriching learning experience for all the attendees.

The program ended with valediction ceremony where the participants were awarded certificates by the Dean and the Medical Superintendent.

Report of the 'Hands -on workshop on G Suite' on 4th, 5th and 6th November 2020

The Medical Education Unit of Tagore Medical College & Hospital, Rathinamangalam conducted a 'one day hands-on workshop on G Suite' for three consecutive days on 4th, 5th and 6th November 2020 in the Lecture hall -1, college campus for all teaching faculties of the institute. The workshop aimed to provide participants with comprehensive knowledge and practical skills to effectively utilize G Suite for various professional and educational purposes. The workshop covered a wide range of applications like Google Docs, Google sheets, Google slides and Google Calendar.

The resource persons were Dr. S. Surendran, HOD, Department of Computer Science and Engineering, Tagore Engineering college, Rathinamangalam and Mr. Anil Jenifer, System analyst, IT Cell, Tagore Medical College and Hospital, Rathinamangalam.

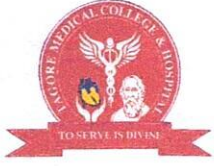

The program started with inauguration presided by Dr. N. Gunasekaran, Dean, Tagore Medical College and Hospital, Rathinamangalam followed by introduction of resource persons to the participants.

Dr. S. Surendran took the first session on Introduction to G Suite in which he gave a brief overview of G suite and its benefits. The participants were introduced to the various applications of G Suite such as Gmail, Google drive, Docs, Sheets, Slides and Calendar. In the next session, Mr. Anil Jenifer elaborated the participants on uploading, organizing and sharing files on Google Drive and collaborative document creation and editing with Google Docs. After a short tea break two sessions on Google Sheets and Google Calendar were conducted back to back by Mr. Anil Jenifer and Dr. S. Surendran. In these sessions, the participants were given hands-on training in creating, formatting and editing Google sheets along with basic data analysis techniques. After one hour lunch break, the hands-on session on Google Slides was moderated by Dr. Surendran in which the participants were provided with hands on training on creating and formatting presentations using Google slides. Additional G suite applications like Forms, sites and Meet were discussed by Mr. Anil Jenifer.

The interactive sessions, hands-on exercises and demonstrations in the workshop ensured that the participants gained practical experience in utilizing G suite for their professional needs.

The program ended with valediction ceremony where the participants were awarded certificates by the Dean and Medical Superintendent.

Report of the 'Hands –on workshop on Mastering Google Classroom' on 15th, 16th and 17th September 2021

The Medical Education Unit of Tagore Medical College & Hospital, Rathinamangalam conducted a 'one day hands-on workshop on Mastering Google Classroom' for three consecutive days on 15th, 16th and 17th September 2021 in the Lecture hall -1, college campus for all teaching faculties of the institute. The workshop aimed to equip the teaching faculty with the necessary skills and knowledge to effectively utilize Google Classroom as a learning management system (LMS).

The resource persons were Dr. N. Vanitha Rani, Assistant Professor, Faculty of Pharmacy, SRIHER and Mr. Anil Jenifer, System analyst, IT Cell, Tagore Medical College and Hospital, Rathinamangalam.

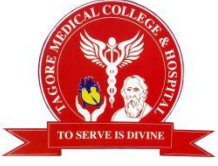

The inauguration of the program was presided by Dr. K. Ravindran, Dean, Tagore Medical College and Hospital, Rathinamangalam with lighting of lamp. The resource persons were introduced by Dr. D. H, Gopalan, Co-ordinator, Medical Education Unit.

In the first session, Dr. Vanitha Rani gave an overview of Google Classroom and its benefits in the educational field. Mr. Anil Jenifer took the second session in which the participants were briefed about creating classes, adding students and managing class rosters in Google classroom. After a short tea break of 15 minutes, the participants gathered for the session on Engaging students and Facilitating collaboration by Dr. Vanitha Rani in which she discussed ways to engage students through discussions, comments and encouraging collaboration through group work and sharing resources. The last forenoon session by Mr. Anil Jenifer demonstrated the incorporation of Google docs, sheets and slides within Google Classroom. The first post lunch session discussed the various learning opportunities in Google Classroom with exploration of additional features like quizzes and grading rubrics. The hands-on session had guided activities and exercises for participants to practice using Google Classroom.

The workshop provided participants with a comprehensive understanding of the Google Classroom features and functionality. The attendees left the workshop equipped with the knowledge and skills to effectively manage digital classrooms, engage students and streamline their teaching workflows using Google Classroom.

The program ended with valediction ceremony where the participants were awarded certificates by the Dean and the Medical Superintendent.
