Subject: Award of ICMR- Short Term Studentship (STS) for the year 2018 To: <drjagadeesh1998@gmail.com>

Cc:

No: 21/1/2017-HRD-STs

MUST forward the copy of this E-mail to your guide.

Dear Students,

This is in reference to your application for ICMR- Short Term Studentship-2018 submitted ONLINE to the ICMR.

I am pleased to inform you that the Director-General, ICMR approves selection of your application for STS on a stipend of Rs. 10,000/- fixed i.e. Rs. 5000/- per month for any two months (between April to July, 2018) to work on the proposed research project. **The award is subject to conditions and approval of report by ICMR.** Kindly complete the research at the earliest, so that the report can be prepared and submitted in time.

Please note that no report shall be considered/ accepted after the due date i.e. 15th October 2018.

The research carried out by the student must be in compliance with ICMR's *ICMR Ethical Guidelines for Biomedical Research on Human Participants, 2017* and *National Ethical Guidelines for Biomedical Research Involving Children*, which may be downloaded from ICMR website (http://www.icmr.nic.in/guidelines/ICMR_Ethical_Guidelines_2017.pdf) and http://www.icmr.nic.in/guidelines/National_Ethical_Guidelines_for_BioMedical_Research_Involving_Children.pdf

Please note: If the work involves human participants, then a clearance from the Institutional Ethics Committee (IEC) must be obtained along with an informed consent from the subjects recruited for the study. Also note that studies involving stored samples/ human biological materials/ retrospective analysis of records/ surveys etc, also require clearance from IEC. If the work involves use of animals, then a clearance must be obtained from the Institutional Animal Ethics Committee (IAEC). Research should not be initiated unless cleared by the ethics committee. In case it is felt that research belongs to exempt category a "certificate of exemption" may be obtained from the IEC.

On completion of the studentship, a report of the actual work done may please be submitted ONLINE as per detailed format and instructions specified on ICMR website. It is advised that prior to writing the report, please go through all the instructions loaded by ICMR thoroughly. The report must have an Introduction, Review of Literature, Aims and Objectives, Material and Methods, Observations and Results, Discussion, Conclusions & Bibliography and must be submitted ONLINE before the last date. Printed copies of reports will "NOT" be accepted. Without appropriate clearances from IEC/IAEC, the report will not be accepted.

The ICMR has initiated this programme to provide opportunity MBBS students to familiarize themselves with research techniques, methodology and also with preparing reports. It is expected that the Guides provide ample support and guidance to the students in their endeavor. Further information about report preparations and its submission as well as the last date for submission is provided on ICMR website. You will have to carry out the project work as early as possible in **any two months** between April

RATHINAMANGALAM, MELAKKAL
CHENNAI-600 127.

to July, 2018 and submit the detailed report online latest by **15th October 2018**. The dates to submit the report will be between 1st August 2018 to 15th October, 2018. however, it is advised that the updated instructions on ICMR website (www.icmr.nic.in) may please be followed.

In case of any queries, please send email at stshrd2017@gmail.com Wishing you all the best.
