Detailed Report of The Programme

Under the leadership of OBG HOD, PG's and 25 CRRI's of the Department of Obstetrics and Gynaecology conducted a gender awareness program on 22/10/2021. Our speaker Dr. P.B. Premalatha instilled the importance of gender awareness and how to protect themselves against gender harassment into the minds of college students. Students were also given lecture on physiology, anatomy on female reproductive tract. Students were counselled on how to get through the fine feelings of this tender age. They were sensitized on the potential problems anticipated and how to ask for help and come out of problems if any when faced in the college life and further.

Intellectual Property Rights and Patent by Tagore Dental College

Guest Lecture on Intellectual property rights and patent program was organized by Tagore Dental College and Hospital on 02-12-2020 at 10:00 in the college auditorium. Dr. I. Kannan, Associate professor, Department of Microbiology, Tagore medical college and hospital was invited as the resource speaker. He has completed his doctoral degree in medical microbiology from the University of Madras. He holds the post of officer in-charge of the central research laboratory.

The lecture presentation focused on the concepts of patenting and the ways in which one can safeguard his/her work from being stolen. He gave a clear picture about the various method of application of national and international patents. There were 51 participants in the program. Overall the program was very interactive and informative.
