## Detailed report of the program

The lecture on "Career Guidance- What next after MBBS?" was held at the Lecture Hall 1 on 18/11/2022 for the benefit of the pre-final year and final year MBBS students. The hour-long lecture addressed the common concerns faced by students after finishing their degree. The pros and cons of various medical and surgical fields were explained as well as the available career opportunities were touched upon.

136 out of the 158 students attended and benefited from the lecture. Students participated enthusiastically and clarified their queries regarding specific career options.

Overall, there was positive feedback from the medical students. For future suggestions, they requested more such lectures to be held regularly.
