The screenshot shows a Google Meet interface. The main window displays a presentation slide titled 'Checklist (1X 10 -10 marks)'. The slide lists 10 items: 1. Patient details-name of the patient, age, gender, address of the patient mentioned; 2. Physician details-Name, address, phone number mentioned (can be used in emergency); 3. Date, time and legibility of prescription; 4. Parts of prescription; 5. Diagnosis of the condition; 6. SYMBOL, Rs; 7. Generic name of the drug, correct dosage form, route, dose, frequency, duration of treatment; 8. Instruction to pharmacist to correctly dispense the drugs; 9. Instruction to patient how to take medications; 10. Signature of physician with registration number. A small video window on the right shows a participant. The bottom of the screen shows the Google Meet controls with a play button, a progress bar at 1:38:59 / 2:42:16, and icons for chat, settings, and full screen.

Objective of the Program

1. Understand and apply concepts of group dynamics and team based functioning in teaching and learning
2. Use principles of adult learning in the teaching learning process
3. Use the system's approach for instructional design
4. define goals, roles and competencies and explain the relationship between each other
5. elaborate the principles of competency based learning
6. be sensitized to the goals, roles and global competencies as developed by the Medical Council of India
7. Classify and define learning domains
8. demonstrate a basic understanding of hierarchy of knowledge progression
9. Differentiate competencies from objectives
10. develop objectives from different competencies
11. explain the relationship between objectives, learning and assessment
12. develop objectives from competencies and specify the domain and skill level
13. Elaborate the principles and types of assessment
14. explain the utility of assessment
15. Choose the appropriate teaching method for various objectives and competencies
16. Use the principles of interactive learning in a large group
17. use the principles of interactive learning in a small group
18. choose appropriate media for a given learning session
19. Develop a lesson plan appropriate to the objectives and teaching learning method
20. Write an appropriate essay question
21. write an appropriate short answer question
22. write an appropriate MCQ
23. Develop a plan for internal assessment and formative assessment
24. demonstrate the ability to use the AETCOM module for basic course in MET to be held
25. demonstrate the ability to write reflection & narrative on AETCOM module
26. demonstrate readiness to launch AETCOM module in own college

Detailed report of the program

Faculty Development Program Organized by Medical Education Unit on the topic of “NAAC Sensitization Program” on 10th November 2021 from 12.30 PM to 3.00 PM at 4th Floor Auditorium – Hospital Block. The event was inaugurated by respected Dean Dr.Kumadha Lingaraj. M.D., and felicitated by Medical Superintendent. Dr. Karunanidhi. MS.

The speaker discussed various aspects such as the role of NAAC, the accreditation process, criteria and parameters for assessment, documentation requirements, self-assessment and quality improvement strategies, benchmarking, and best practices in higher education. Participants are given opportunities to ask questions, seek clarification, and engage in discussions with the experts. This interactive format allows for a deeper understanding of the accreditation process and its implementation. Participants gain insights into the accreditation process, understand the importance of self-assessment, and learn how to align their practices with quality indicators.

About 37 doctors participated in this event.

Detailed report of the program

Faculty Development Program Organized by Medical Education Unit On The Topic Of "NABH Sensitization Program" **On 22 June 2022 From 1.00PM To 3.00 PM** at MEU room. The event was inaugurated by respected Dean Dr.Kumadha Lingaraj. M.D., and felicitated by Medical Superintendent. Dr. Karunanidhi. MS.

This NABH Sensitization Program provided an orientation to the NABH accreditation process and its requirements and sensitized participants to the importance of patient safety, quality of care, and adherence to best practices in healthcare. It has created an awareness and understanding among the participants about the accreditation process, criteria, and quality standards.

19 nurses participated in this event
