Detailed report of the program

Gender sensitization programme was arranged by Internal Complaint Committee. Mr Karunanidhi Retd Superintendent of Police was invited as guest speaker. The programme started at 11 am in the auditorium of Tagore Medical College. Mr Karunanidhi Retd Superintendent of Police was introduced to the students gathered in the auditorium. He was felicitated by HOD Dr. Premalatha

The chief guest enlightened the students on how people get victimised easily by others. One should be able to identify the right persons to be chosen as friends. He also emphasized unnecessary contacts should be avoided and to be cautious in communicating with the people surrounding us especially through social media like Facebook, Instagram and WhatsApp.

He quoted several incidents of crime, which happened due to gender harassment. He made the point clear to the students that they have to report any undue happenings to their parents or staffs in college so that they could be guided and would be helped to resolve the problem.

He also added that each individual should be bold enough to face any situation and focus on their goals. Dr. Sornam gave the vote of thanks and gave a memento to Mr Karunanidhi.

Detailed report of the program

Under the aegis of the management of Tagore Medical College and Hospital headed by our Chairperson Prof Dr Mala, the Department of Paediatrics celebrated the World Breast feeding Week from August 1st-7th, 2020 .This year's celebration was chiefly a virtual one, in view of the COVID-19 pandemic.

A motivational video contest on breast feeding was conducted for MBBS students and CRRIs and the best two entries were submitted to National Neonatology forum-NNF, Tamilnadu chapter. Final year student Shidin won the third prize among the 36 entries submitted. An online quiz was conducted on 5th August by Dr Jaishree Vasudevan for Final year students using Kahoot app and the first three positions went to Kalaivani, Daffina and Swarna respectively. A similar quiz was conducted for CRRIs on 4th and 6th of August and the first two places went to Dr. Lizzy Bindhya and Dr. Kumaravel.S.

A poster competition was held on 7.8.20 for CRRIs and it was judged by Medical Superintendent, Dean and HOD of Community medicine and the two prizes went to Dr. V. Kuhapriya and Dr. Madhumitha. A.

A series of seminars on various aspects of breastfeeding were held on 3rd, 4th, 5th of August for the CRRI's in which physiology, composition of breast milk; and benefits, techniques and problems related to breast feeding were discussed by the CRRIs. Mothers and caregivers of new-borns were counselled regarding the benefits of breast feeding by all our department faculty.

Detailed report of the program

Under the aegis of the management of Tagore Medical College and Hospital headed by our Chairperson Prof Dr Mala, the Department of Paediatrics celebrated the World Breast feeding Week from August 1st-7th, 2020 .This year's celebration was chiefly a virtual one, in view of the COVID-19 pandemic.

A motivational video contest on breast feeding was conducted for MBBS students and CRRIs and the best two entries were submitted to National Neonatology forum-NNF, Tamilnadu chapter. Final year student Shidin won the third prize among the 36 entries submitted. An online quiz was conducted on 5th August by Dr Jaishree Vasudevan for Final year students using Kahoot app and the first three positions went to Kalaivani, Daffina and Swarna respectively. A similar quiz was conducted for CRRIs on 4th and 6th of August and the first two places went to Dr. Lizzy Bindhya and Dr. Kumaravel.S.

A poster competition was held on 7.8.20 for CRRIs and it was judged by Medical Superintendent, Dean and HOD of Community medicine and the two prizes went to Dr. V. Kuhapriya and Dr. Madhumitha. A.

A series of seminars on various aspects of breastfeeding were held on 3rd, 4th, 5th of August for the CRRI's in which physiology, composition of breast milk; and benefits, techniques and problems related to breast feeding were discussed by the CRRIs. Mothers and caregivers of new-borns were counselled regarding the benefits of breast feeding by all our department faculty.

It is a day when women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. The program was conducted under the auspices of Dr. M. Mala. The chief guest Mrs. Uma Maheshwari gave an inspirational speech about her achievements as an IAS officer

The program was conducted at the 4th floor auditorium and was attended by CRRIs and Medical Students. The cultural program consisted of a classical dance program performed by final year women students. A skit was performed, teaching the importance of women in society.

The contribution of non-teaching women staff were noted and they were honored with small mementos of appreciation.

Detailed report of the program

Gender sensitization programme was arranged by Internal Complaint Committee. Mr Karunanidhi Retd Superintendent of Police was invited as guest speaker. The programme started at 11 am in the auditorium of Tagore Medical College. Mr Karunanidhi Retd Superintendent of Police was introduced to the students gathered in the auditorium. He was felicitated by HOD Dr. Premalatha

The chief guest enlightened the students on how people get victimised easily by others. One should be able to identify the right persons to be chosen as friends. He also emphasized unnecessary contacts should be avoided and to be cautious in communicating with the people surrounding us especially through social media like Facebook, Instagram and WhatsApp.

He quoted several incidents of crime, which happened due to gender harassment. He made the point clear to the students that they have to report any undue happenings to their parents or staffs in college so that they could be guided and would be helped to resolve the problem.

He also added that each individual should be bold enough to face any situation and focus on their goals. Dr. Sornam gave the vote of thanks and gave a memento to Mr Karunanidhi.
